## CUBE REEL

### General Description

The cube reel is a compact motorized cable reel capable of holding up to 1000' of Mini Camera cable for Mainline Sewer Inspection.

The reel measures 24" x 24" x 24" and is equipped with a 1/8 horse power DC gear motor drive with electric clutch.

The motor speed is completely variable and operates in both rewind and payout and features a levelwind with electronic distance encoder. The construction is steel and anodized aluminum with a rugged epoxy powder coated finish.
